THE CLIENT

Project objective: provide dedicated Screen Review support for a single engagement, with a focus on Screen Review and dedicated support for the project.

ROLE	**UI/UX Consultation**
FOCUS	**Screen Review**
OBJECTIVE	**Dedicated support**
AREA	**UI/UX**

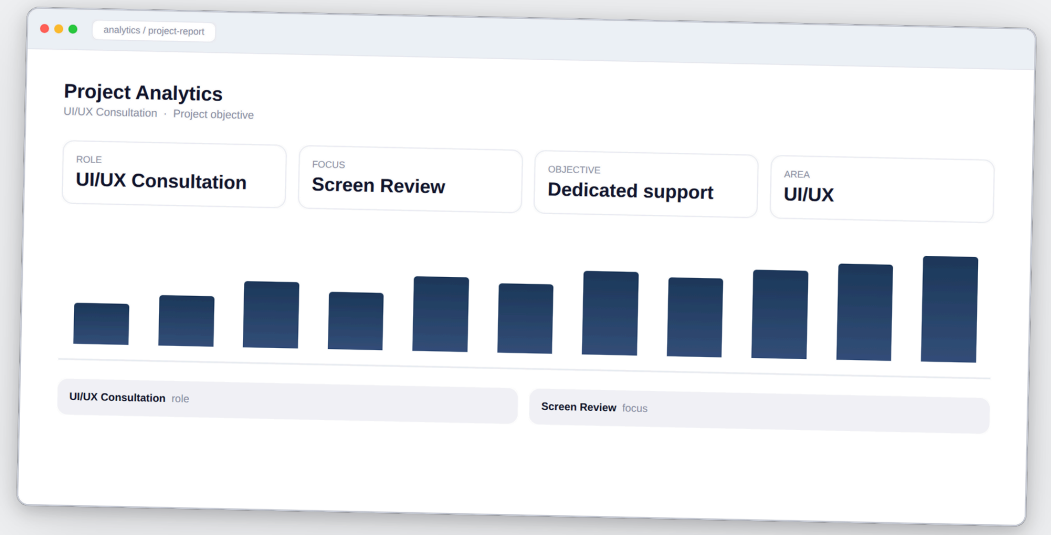

THE CHALLENGE

Application screens must be intuitive, consistent and easy to use. The client wanted an expert to analyse the existing screens, share insights on user experience and design consistency, and suggest usability improvements that optimise how users interact with the product.

Optimised interactions The end goal for users

Usability improvements Clearer, easier-to-use screens
